

**Aileen Gray** (she/her/ella)

Raleigh-Cary Senior Vegetation  
Management Program Manager  
Distribution Vegetation  
Duke Energy

Aileen holds her B.S. from  
SUNY Environmental  
Science and Forestry in

Natural Resource Management and her M.S. from Green Mountain College in Environmental Communications. She served as an Environmental Peace Corps volunteer in Paraguay, South America from 2015-2017 with her most prominent projects focused on teaching recycled arts, ESL, composting & gardening techniques, and leadership skills for young women. She's been working for the City of Raleigh Parks, Recreation and Cultural Resources Department since 2018 as a Nature Program Instructor promoting urban environmentalism with paddling, tree identification, fishing, and hiking programs and has been the Sr. Vegetation Management Program Manager for Duke Energy since 2021 in the Raleigh-Cary area. She oversees the vegetation management for distribution lines while promoting proper arboriculture practices, environmental conservation in urban settings, endorsing native tree species through "Right Tree, Right Place" and promoting equitable customer delivery in our communities. She currently serves a Co-Lead on the Diversity and Inclusion Council and as officers for Duke Energy's Employee Resource Groups- Latinos Energizing

Diversity and We Are One for LGBTQ+ Equality. She is a certified arborist through the International Society of Arboriculture and is ACA certified in stand-up paddleboard and kayak.
